PATENT PENDING

In August 2022, on behalf of HQLS, LLC, Theodore F. Shiells filed a U.S. patent application for the WeGood? app. This tool presents a new method of employee engagement that provides employees and their bosses quick, easy weekly communication and is guaranteed to increase employee engagement and performance.

Local Press

The San Antonio Business Journal interviewed CEO, Dr. David Hill shortly after the app became available on the Apple and Google stores. [Link to Article](#)

PILOT TESTING

High Quality Leadership began testing the WeGood? app with employees at Moonies Texas Barbeque in Flowery Branch, Georgia

PILOT TESTING

The High Quality Leadership Engagement Team led a work group at Moonies Texas Barbeque through a 90-day trail using the WeGood?® app. The results indicated increased performance on almost all indicators and the management reported increased employee engagement and positive citizenship behaviors. Moonies Texas Barbeque has rolled out the app to all employees and became the first paying customer for WeGood?®
